John F. Kness**

[Please note: This document is the Independent Fiduciary's Plan of Distribution/Interim Distribution. It assumes that the Court will issue an order granting the Independent Fiduciary's Motion to Approve Plan of Distribution/Interim Distribution. At that point, the Independent Fiduciary will remove this bracketed language, remove the notation of "Exhibit A to Motion for Approval of Plan of Distribution," fill in the "D.E. #" of the referenced "to be entered" Court Order where needed, sign and date this Plan of Distribution and file with the Court under a Notice of Filing.]

INDEPENDENT FIDUCIARY'S PLAN OF DISTRIBUTION FOR THE ASSETS OF THE AEU HOLDINGS, LLC'S EMPLOYEE BENEFIT PLAN AND FOR INTERIM DISTRIBUTION

A. Background

1. Pursuant to the Court's Order granting the Independent Fiduciary's Motion to Approve Plan of Distribution/Interim Distribution (D.E. #____) ("Distribution Plan Order"), the Independent Fiduciary submits this as its Plan of Distribution for the Assets of the AEU Holdings, LLC's Employee Benefit Plan and for Interim Distribution.

EXHIBIT A TO MOTION FOR APPROVAL OF PLAN OF DISTRIBUTION

2. Pursuant to the Court's Preliminary Injunction Order entered on December 13, 2017 (D.E. # 59), Receivership Management Inc. was appointed Independent Fiduciary (hereinafter "Independent Fiduciary") of the AEU Holdings, LLC's Employee Benefit Plan and Participating Plans (hereafter "Benefit Plan"). Under the authority granted by the Preliminary Injunction Order, the Independent Fiduciary filed a Motion to Terminate the Benefit Plan (D.E. #63). On December 21, 2017, the Court issued an Order (D.E. #74) granting the Motion to Terminate, and among other items, directed the Independent Fiduciary, within a reasonable time after the January 31, 2018 Benefit Plan's termination date, to establish a procedure for submitting claims against the Benefit Plan Liquidation Estate. Said claims procedure would incorporate the appeal process regarding any adverse claim determination as set forth in Exhibit A of the Court's December 13, 2017 Preliminary Injunction. (D.E. #59).

3. Prior to the issuance of the above-referenced Preliminary Injunction, the Court, based upon 28 U.S.C. § 1651 ("All Writs Act"), entered, on November 15, 2017, an order staying all actions, and prohibiting the institution of actions or collection activity by Medical Providers against Benefit Plan Participants (amongst others) regarding amounts allegedly owed to the Medical Provider. See Order Staying All Proceedings Against Participants ("All Writs Act Injunction Orders") (D.E. #38).

4. On April 13, 2018, the Independent Fiduciary submitted a Motion to Approve its Proposed Orderly Plan of Liquidation. (D.E. #140). On April 18, 2018, the Court issued its Order Approving the Orderly Plan of Liquidation and directed the Independent Fiduciary to submit a Notice of Filing with the approved Plan of Liquidation

(D.E. # 146). On April 20, 2018, the Independent Fiduciary filed the Plan of Liquidation. (D.E. #147).

5. The Plan of Liquidation (D.E. #147) established the procedures that would be followed in the liquidation of the Benefit Plan regarding claims against the Benefit Plan Liquidation Estate. The Independent Fiduciary would issue Medical Claim Determination Statements ("MCDSs") to all Medical Providers and Participants which would set forth unpaid amounts owed to the Medical Providers from the Benefit Plan ("Plan Responsibility Amount") and amounts owed to the Medical Providers from the Participants ("Patient Responsibility Amount" or "Member Responsibility Amount") for matters such as co-pays, deductibles, etc. The Medical Provider and Participant could either accept the MCDS as accurate or could object/appeal/request reconsideration. Any Participant who paid to a Medical Provider Plan Responsibility Amounts relating to his/her medical billing could, under the Plan of Liquidation, request reimbursement of those amounts. There was also a proof of claim procedure, which allowed for a Proof of Claim form to be submitted to the Independent Fiduciary regarding non-medical claims, the review and determination of which would give rise to, in essence, a non-medical claim determination statement regarding the Proof of Claim.

6. The terms of the Court-approved Liquidation Plan, as set forth in Paragraph 7, then provides as follows:

> As soon as is possible after all claims have been processed, all appeals have been finalized, all appeal periods have concluded, and all assets collected, the Independent Fiduciary will file an additional Plan with the Court concerning distribution of available assets to all approved claimants resulting from the Medical Claims Determination Statement and Non-medical Claims Determination Statement. If there is any possibility of an interim distribution, the Independent Fiduciary will so advise the Court.

D.E. #147 at ¶7, p.5. This filing constitutes the Independent Fiduciary's Plan of Distribution and Interim Distribution.

B. Claim Determinations Are Complete

7. All claims have been adjudicated and all pending objections, appeals and requests for reconsideration[1] regarding claims have been determined and the appeal periods concluded on October 23, 2020.

8. As part of its obligations, the Independent Fiduciary also conducted its own review of the MCDS data to attempt to identify typographical errors, mathematical errors, duplicates and applicable discounts. This review and the appeals process resulted in the Independent Fiduciary staff reviewing over 35,000 claim lines.

9. Pursuant to its duties, the Independent Fiduciary also conducted an audit of a sampling of the appeals decisions and the applicable MCDSs to ensure the appeals decisions accurately reflected on the MCDSs.

10. Any issues or errors identified by the Independent Fiduciary's review of the MCDS data and audits were corrected.

11. The total of all finalized and adjudicated claims against the Benefit Fund Liquidation Estate is $54,843,905.55.

C. Pending Asset Collection Activity

12. Currently there are two asset recovery actions pending before this Court.

a) Receivership Management Inc. (as Independent Fiduciary) v. Locke Lord, LLP (1-18-cv-08158), and

b) Receivership Management Inc. (as Independent Fiduciary) v. A.J. Corso and Associates, et al. (1-19-cv-01385).

[1] The Independent Fiduciary received nearly 2000 appeals and requests for reconsideration. No requests for external review were received arising from the Independent Fiduciary's determination of those appeals/requests for reconsideration.

The Independent Fiduciary likely will not be pursuing any more affirmative fillings regarding asset recovery. There have been, however, numerous settlements effected by the Plaintiff/Secretary of Labor, United States Department of Labor ("Secretary"), some of the proceeds of which have been paid to the Independent Fiduciary and some of which will be paid, over time, to the Independent Fiduciary.[2]

D. Reserve

13. The Independent Fiduciary will reserve approximately $3,000,000, plus the amounts to be paid over time resulting from the Secretary's settlements, for activities that remain after payment of the Interim Distribution. These activities include, but are not limited to, matters relating to the Benefit Plan's litigation pending before the Court, responding to inquiries from the Internal Revenue Service, the U.S. Department of Labor, Participants, Employers and Medical Providers, providing various notices to affected individuals or entities, communicating with claimants and maintaining records for a period of six (6) years after the closure of this matter pursuant to ERISA and U.S. Department of Labor rules.

E. Claim Classification and Priority

14. Pursuant to the Distribution Plan Order (D.E. #_____), there are five (5) claim classifications in this Plan of Distribution. They are as follows, in descending order of priority:

a) Independent Fiduciary Fee and Expense Claims.

[2] Recoveries from these two pending actions and the Secretary's settlements could give rise to consideration by the Independent Fiduciary of making a further interim distribution or would be part and parcel (along with other assets available for distribution) of a final distribution at the closure of these proceedings.

b) Approved and determined amounts for Benefit Plan Participants who submitted timely claims for reimbursement of amounts they paid which were the responsibility of, and should have been paid by, the Benefit Plan (hereinafter "Type 1 Claimants") (see Exhibit 1 at pp. 1-5). Approved and determined amounts that should have been paid by the Benefit Plan are referred to as "Plan Responsibility Amounts."

c) Approved and determined amounts for Employers who submitted timely claims for reimbursement of Plan Responsibility Amounts they paid (hereinafter "Type 2 Claimant") (see Exhibit 1 at p. 6).

d) Approved and determined amounts of timely submitted unpaid Medical Provider claims, as reflected on the MCDS or updates/appeal results regarding the MCDS, from Medical Providers who/which provided services to Benefit Plan Participants (hereinafter "Type 3 Claimants") (see Exhibit 2).

e) Approved and determined amounts of non-medical claims that were timely submitted, plus the one non-medical claim that was received past the submission deadline (hereinafter "Type 4 Claimants") (see Exhibit 3).

15. The Type 1, 2, 3 and 4 Claims noted above constitute all of the approved claims submitted as against the Benefit Plan Liquidation Estate—a total of $54,843,905.55.

F. Plan of Distribution

16. As assets become available for distribution, the Independent Fiduciary will pay each type of claim in order of priority until payment is made in full as to that type of claim. Less than 100% payments to a type of claim will be made pro rata.

17. As set forth in the Court's Distribution Plan Order, Medical Providers, who/which cash/deposit a pro rata Interim Distribution, will be deemed to have released the ability to pursue any Plan Responsibility Amount still owed and will be prohibited from reporting negative credit information or engaging in any collection activity regarding a Participant in relation to the Plan Responsibility Amount still owed. Medical Providers which cash/deposit a pro rata Interim Distribution will receive further interim distributions and/or final distributions, pro rata or otherwise. Medical Providers which cash/deposit a pro rata Interim Distribution are not prohibited from pursuing a Participant for any Member or Patient Responsibility Amount owed to the Medical Provider nor are they prohibited from reporting negative credit information or engaging in collection activity regarding the Participant based solely upon unpaid Member or Patient Responsibility Amounts.

18. As further set forth in the Court's Distribution Plan Order, Medical Providers which do not deposit/cash an Interim Distribution may not be subject to the restrictions or prohibitions set forth in Paragraph 17 above. Medical Providers which do not deposit/cash an Interim Distribution, however, will still be subject to the restrictions and prohibitions set forth in the Court's All Writs Act Injunction Order[3] (D.E. #38) until the closure of the Benefit Plan Liquidation Estate or until further order of Court. Id. at ¶ 1-3. Medical Providers which do not deposit/cash an Interim Distribution will not be included in any further interim distribution or final distribution from the Benefit Fund Liquidation Estate. The Plan Responsibility Amount for each Medical Provider which does not deposit/cash its Interim Distribution will be subtracted from the aggregate Plan

[3] The Court's All Writs Act Injunction Order prohibits Medical Providers from pursuing any action against a Benefit Plan Participant and/or engaging in any negative credit reporting or collection activity as to a Benefit Plan Participant relating to amounts owed to the Medical Providers

Responsibility Amount shown on Exhibit 2 for purposes of calculating any further interim distribution or final distribution to Type 3 Claimants, pro rata or otherwise. The Medical Provider Interim Distribution checks will be void 120 days after the date of the check. The amounts of the voided checks (i.e. those not cashed within the 120 day period) will continue to be under the control of the Independent Fiduciary which will, at a later time, provide the Court a recommendation for treatment/disposition of those funds.

G. Interim Distribution

19. As set forth in the Court-approved Plan of Liquidation, "if there is any possibility of an interim distribution, the Independent Fiduciary will so advise the Court." D.E. #147, at ¶7, p. 5. With the Reserve addressed, as set forth above, and pursuant to the Court's Distribution Plan Order (D.E. #_____), the Independent Fiduciary will make an Interim Distribution in the amount of $6,735,462.46.

20. Of that amount, $377,443.85 will be distributed to Type 1 Claimants (see Exhibit 1 at pp. 1-5) with a cover letter accompanying that distribution (see Exhibit 4 hereto) explaining that the Type 1 Claimant was receiving 100% of the approval amount of his/her/its claim.

21. Next, $8,970.99 will be distributed to the Type 2 Claimants (see Exhibit 1 at p. 6) with a cover letter accompanying that distribution (see Exhibit 4 hereto) explaining that the Type 2 Claimant was receiving 100% of the approved amount of his/her/its claim.

22. After 100% payments to the Type 1 and Type 2 Claimants, there will remain $6,349,047.62 to distribute, pro rata, to the Type 3 Claimants. Exhibit 2 attached hereto sets forth the listings of the Type 3 Claimants and other information including the pro rata Interim Distribution to be made to each Type 3 Claimant. See Exhibit 2 hereto column

entitled "Interim Distribution." The pro rata Interim Distribution will be accompanied by a letter (see Exhibit 5 attached hereto) that will give notice and explain various matters attendant to the pro rata distribution including, but not limited to, notice that cashing/depositing the pro rata distribution will constitute a release by the Medical Provider from further pursuit of any amount still owed to the Medical Provider regarding Plan Responsibility Amounts[4] and that by cashing/depositing the pro rata distribution, the Medical Provider is prohibited from reporting negative credit information or pursuing collection activity as to any Participant regarding any remaining Plan Responsibility Amount owed. That letter will also state that not cashing/depositing the Interim Distributions checks will mean that the Medical Provider will receive no distributions from Benefit Plan Liquidation Estate and will provide further information regarding a Medical Provider's decision not to cash/deposit the check. See Exhibit 5 attached hereto.

23. There will be no assets available for an Interim Distribution to the Type 4 Claimants. The listing of these Type 4 Claimants is set forth in Exhibit 3. Each Type 4 Claimant will receive a letter (see Exhibit 6 hereto) stating that the Type 4 claim was final in classification and amount, that there are no assets available for an interim distribution to Type 4 Claimants and that if funds did become available for a Type 4 Claim distribution, the Independent Fiduciary would so notify the Type 4 Claimant.

H. Interim Distribution Payment Procedures
a) Type 1 Claimants

24. Upon the Court's Distribution Plan Order becoming final and non-appealable, the Independent Fiduciary will issue checks to each of the Type 1 Claimants.

[4] The Medical Provider would still be entitled to share in future interim and final distributions by the Independent Fiduciary, pro rata or otherwise.

The checks will be valid for 120 days from the date of check.

25. The envelope containing the check will be addressed to each Type 1 Claimant's address in the Independent Fiduciary's records and the envelope will be marked "Postmaster: Address Correction Requested/Please Forward." The mailing will be sent by United States Postal Service first class mail along with a cover letter, a copy of which is attached as Exhibit 4. The cover letter will identify the tracking numbers associated with the claims that are being paid.

26. Any mailings returned to the Independent Fiduciary as undeliverable will be researched to determine a revised address if one is identifiable by reasonable and economically feasible measures. If a new address can be determined, a check will be reissued and mailing resent as described above.

27. Funds reflecting checks for Type 1 Claimants that remain uncashed 120 days from the date of issuance/reissuance of the checks, and checks for claimants for whom no revised address can be determined as set forth above, will be disbursed to the Unclaimed Property Fund of the state of the Type 1 Claimant's last known address following the applicable state's regulations. The Independent Fiduciary will maintain, for the period of six (6) years from the closure of these proceedings, records indicating to what state's Unclaimed Property Fund each unclaimed Type 1 Claim Amount was sent.

b) Type 2 Claimants

28. Upon the Court's Distribution Plan Order becoming final and non-appealable, the Independent Fiduciary will issue checks to each of the Type 2 Claimants. The checks will be valid for 120 days from the date of the check.

29. The envelope containing the check will be addressed to each Type 2 Claimant's address in the Independent Fiduciary's records and the envelope will be marked "Postmaster: Address Correction Requested/Please Forward." The mailing will be sent by United States Postal Service first class mail along with a cover letter, a copy of which is attached as Exhibit 4. The cover letter will identify the tracking numbers associated with the claims that are being paid.

30. Any mailing returned to the Independent Fiduciary as undeliverable will be researched to determine a revised address if one is identifiable by reasonable and economically feasible measures. If a new address can be determined, a check will be reissued and mailing resent as described above.

31. Funds reflecting checks for Type 2 Claimants that remain uncashed 120 days from the date of issuance/reissuance of the checks, and checks for claimants for whom no revised address can be determined as set forth above, will be disbursed to the Unclaimed Property Fund of the state of the Type 2 Claimant's last known address following the applicable state's regulations. The Independent Fiduciary will maintain, for a period of six (6) years from the closure of these proceedings, records indicating to what state's Unclaimed Property Fund each unclaimed Type 2 Claim Amount was sent.

c) Type 3 Claimants

32. Upon of the Court's Distribution Plan Order becoming final and non-appealable, the Independent Fiduciary will issue checks for the appropriate pro rata amounts to the Type 3 Claimants. The checks will be valid for 120 days from the date of the checks. The envelope containing the check will be addressed to each Type 3 Claimant's address in the Independent Fiduciary's records and the envelope will be marked

"Postmaster: Address Correction Requested/Please Forward." The mailing will be sent by United States Postal Service first class mail along with a cover letter. See Exhibit 5. The cover letter will identify the tracking numbers associated with the claims that are being paid pro rata.

33. Any mailing returned to the Independent Fiduciary with a forwarding address noted will be resent with a reissued check to the forwarding address noted on the returned envelope.

34. After 120 days, any checks (or reissued checks, if applicable) returned, refused, or uncashed/not deposited relating to Type 3 Claimants will be voided. The funds at issue with the voided checks will remain under the control of the Independent Fiduciary. The Independent Fiduciary will make recommendation to the Court regarding disposition and treatment of those funds at an appropriate time in the progression, toward closing, of the Benefit Fund Liquidation Proceedings.

d) Type 4 Claimants

35. Upon the Court's Distribution Plan Order becoming final and non-appealable, the Independent Fiduciary will send a letter (see Exhibit 6) that will inform the Type 4 Claimant that there are no funds available for a distribution, pro rata or otherwise, to the Type 4 Claimant and that if funds do become available, the Independent Fiduciary will be in further contact with the Type 4 Claimant.

36. The envelope of the mailing to the Type 4 Claimant will be marked "Postmaster: Address Correction Requested/Please Forward." Any mailing returned to the Independent Fiduciary with a forwarding address noted will be resent to the forwarding address noted on the returned envelope.

I. Participant Protections Resulting From Type 3 Claimant/Medical Provider Acceptance of an Interim Distribution

37. Consistent with the Participant protections provided under the All Writs Act Injunction Order previously entered (D.E. #38) and pursuant to the Court's Distribution Plan Order (D.E. #___), cashing/depositing a distribution, pro rata or otherwise, by a Type 3 Claimant a) constitutes a release by the Type 3 Claimant of any Plan Responsibility Amount not addressed by the distribution and b) establishes a prohibition upon the Medical Provider from reporting negative credit information or pursuing collection activity regarding the Participant as to any unpaid Plan Responsibility Amount. A Medical Provider which cashes an Interim Distribution would not waive its right to receive further interim distributions or a final distribution at the closing of these proceedings. Cashing of an Interim Distribution also will not waive the Medical Provider's ability to pursue a Participant for "Member Responsibility"/"Patient Responsibility" amounts nor prohibit the reporting of negative credit information or pursuit of collection activity based solely on amounts of "Member Responsibility"/"Patient Responsibility" owed by the Participant to the Medical Provider. Should a Medical Provider refuse or fail to cash/deposit the Interim Distribution payment within 120 days of the date of the check, the check payment will be cancelled and the funds held by the Independent Fiduciary for further disposition upon recommendation made to the Court. By refusing or failing to cash/deposit the Interim Distribution check within the 120 day period, the Medical Provider foregoes receipt of any further distribution from the Benefit Fund Liquidation Estate. Any Medical Provider who does not cash/deposit a distribution check will still be bound by the restrictions set forth in the All Writs Act Injunction Order (D.E. #38) until the closure of these liquidation proceedings or until further Order of the Court.

38. Consistent with the Participant protections provided under the All Writs Act Injunction Order previously entered (D.E. #38) and pursuant to the Court's Distribution Plan Order (D.E. #_____), the cashing of an Interim Distribution check by a Type 3 Claimant shall:

a) prohibit the Medical Provider from attempting any further collection action or activities for collection or payment of any amount still owed by the Benefit Plan from anyone or any entity (e.g. the Benefit Plan, the Independent Fiduciary/RMI, the Participant or the applicable patient, and any guarantor) including but not limited to any discounts or other amounts by whatever name, owed by the Benefit Plan to the Medical Provider and not paid by the pro rata distribution;

b) prohibit collection activities and actions as against Benefit Plan Participants which include, but are not be limited to, the filing of a lawsuit or other adverse action, threatening to file a lawsuit, attempting to assert any other law, regulations or rules to attempt to collect any Plan Responsibility Amount, attempting to enforce any forms or other documents signed by the Participant or other person to obtain the Medical Provider's services asserting any alleged right to collect amounts remaining due which were the responsibility of the Benefit Plan; and

c) prohibit the negative credit reporting as to any Participant of any Plan Responsibility Amount remaining due, the selling or transfer in any manner of such debts to any other person or entity, and any request for payment of any type including but not limited to sending a statement, collection letter or other request for payment.

J. Notification to Type 3 Claimants of Release and Prohibitions

39. Type 3 Claimants received either letter or postcard mailings giving notice that the Independent Fiduciary's Plan of Distribution would, if ordered by the Court, include the release and prohibitions set forth in Paragraphs 37 and 38. Moreover, Type 3 Claimants will be notified of the release and prohibitions set forth in Paragraphs 37 and 38 by the cover letter which will be sent with the Interim Distribution pro rata distribution checks. The letter that will accompany the pro rata interim distribution will direct the Type 3 Claimant to review the Court's Distribution Plan Order (D.E. #_____), which established the release/prohibitions, upon Medical Providers who cash their distribution and will set forth how to locate that Order and this Plan of Distribution. A copy of the letter is attached as Exhibit 5.

K. Notification of Participants Regarding Medical Provider's Acceptance of Interim Distribution

40. As soon as practicable after the expiration of the 120 day period for the Medical Providers to accept the Interim Distribution, the Independent Fiduciary will correspond with the Benefit Plan Participants informing them as to whether Medical Provider(s) accepted the Interim Distribution and therefore have released the ability to further pursue Plan Responsibility Amounts still owed. The Independent Fiduciary will send the above-referenced correspondence to the applicable Participants based upon the most current address information on file with the Independent Fiduciary. To the extent that mailings are returned as undeliverable, the Independent Fiduciary will use reasonable and economically feasible measures to locate the Participants and, if a revised address is so identified, will resend the correspondence to that revised address.

L. Requests for Replacement Medical Claims Determination Statements

41. Participants and Medical Providers were provided MCDSs with the applicable tracking numbers in May/June, 2018. At the time a determination on an appeal was issued, the Participants and Medical Providers who appealed their claims also received amended MCDSs if the appeal determination or related reconsideration altered the previously issued MCDS. Additionally, if an audit by the Independent Fiduciary identified an issue with an MCDS, an amended one was issued with a cover letter.

42. Due the costs and expense associated with sending replacement MCDSs and the limited assets of the Benefit Plan Liquidation Estate, if a Participant or Medical Provider requests another copy of their MCDSs, the Independent Fiduciary will handle the requests as follows:

a) The Independent Fiduciary will establish a dedicated email box (aeu@receivermgmt.com) and telephone line (615-370-5733) with voicemail to permit Participants and Medical Providers to request replacement MCDSs. The telephone line will direct Participants and Medical Providers to request via email the replacement MCDSs statements by providing the tracking numbers and the contact information for the authorized person or entity to receive the MCDS (including the name, address and telephone number). The Independent Fiduciary will post and provide a form for Participants and Medical Providers to request the replacement MCDSs.

b) The Independent Fiduciary will respond to requests from Participants and Medical Providers by encrypted email. No MCDS statement will be faxed or mailed by regular mail.

M. Ability to Seek Additional Relief

43. The Independent Fiduciary reserves the ability to further move the Court to address other claims for relief pursuant to the Court's retention of jurisdiction under the Preliminary Injunction entered in this action (D.E. #59 ¶ 25 at p. 13) and under the All Writs Act (28 U.S.C. §1651).

[4] Please note, to protect each Employer's privacy rights, RMI has identified each reimbursement by the Employer's corresponding Appeal/POC number.

[5] Please note, all Appeal/POC numbers marked with an asterisk (*) are claims associated with an Employer which instituted an action against brokers which placed the Employer's participants into the Benefit Plan. The Independent Fiduciary has instituted an action against those brokers on behalf of the Benefit Fund. The action brought by the particular Employer has settled, but the Employer will not disclose to the Independent Fiduciary whether the release as between that Employer and the relevant brokers improperly releases claims that the Independent Fiduciary is pursuing against the relevant brokers. The Independent Fiduciary will hold and will not pay the amounts noted above with an asterisk (*), which are in the total amount of ($822.97) until it is demonstrated to the Independent Fiduciary that claims on behalf of the Benefit Fund against the relevant brokers have not been released (or have not been purportedly released) by the Employer.

AEU BENEFIT PLAN LIQUIDATION - FREQUENTLY ASKED QUESTIONS

(1) **What is the AEU Benefit Plan?** The AEU Benefit Plan was a health benefit plan operated by AEU Holdings, Inc. and was administered by 7 third party administrators: Tall Tree, Benefit Plan Administrators (BPA), Taylor Benefits, Capitol Administrators, Benefit Administration Services (BAS), Pequot Health, and UCHealth.

(2) **Who filed the lawsuit seeking liquidation of AEU Benefit Plan?** The United States Department of Labor (DOL) filed the lawsuit to protect the assets of the AEU Benefit Plan for its members and providers.

(3) **What Court is handling the litigation involving the liquidation of AEU Benefit Plan?** DOL's lawsuit was filed in federal court in Chicago, Illinois. The case number is 1:17-cv-07931. It is being handled by U.S. District Court Judge John F. Kness.

(4) **Why did the Court place AEU Benefit Plan in court ordered liquidation?** Basically, the Court determined under the Employee Retirement Income Security Act of 1974 (ERISA) that it was necessary for it to take action to prevent any unnecessary drain of AEU Benefit Plan assets so its assets could be used for unpaid claims and the expenses of the liquidation.

(5) **Who is Receivership Management, Inc.?** Receivership Management, Inc. (RMI) is the court appointed Independent Fiduciary in charge of the liquidation of the AEU Benefit Plan.

(6) **What telephone number do I call with questions not answered by this FAQ?** 615-370-5733. You may also email your questions to: AEU@receivermgmt.com. You may fax questions or correspondence to RMI at 615-373-4336.

(7) **Why did I receive a check from RMI?** RMI's attorneys filed a motion for interim distribution with the Court and it was approved. Basically, RMI determined that there were sufficient assets available to make an interim distribution and the Court approved RMI's plan. You can review the Motion and Order for additional details by going to: https://www.receivermgmt.com/aeubenefitplan.htm

(8) **As a result of the Interim Distribution Order, how much will members and providers be paid for their claims?** Per the Court's Order, Type 1 and Type 2 Claimants are being paid 100 cents on the dollar owed to them by the AEU Benefit Plan. Type 3 Claimants are being paid approximately 11 cents on the dollar. Type 4 Claimants are not receiving a payment. Details regarding the Types of Claimants and their priority can be found in the Order and Court-approved Plan of Distribution posted to the website referenced above.

(9) **Is this all the payments *Claimants* will receive**? RMI does not know if there will be another distribution because it is dependent on RMI recovering additional assets. If additional assets are recovered, you will be notified. *Type 1 and Type 2 Claimants* have been paid in full so they will not receive any further payments.

(10) **How did RMI determine how much to pay each Claimant?** Type 1 and Type 2 Claimants paid amounts to medical providers that should have been paid by the AEU Benefit Plan. They are receiving a reimbursement of the Plan Responsibility Amount they paid. Type 3 Claimants are receiving a pro-rata amount of the adjudicated Plan Responsibility Amount owed to them. Type 3 Claimants are receiving a pro-rata amount because there are not enough AEU Benefit Plan assets to fully fund this class. Type 4 Claimants will not be paid until the Type 3 Claimants are paid in full.

(11) **How do I, as a provider, determine what members/patients the amount of the check covers?** For *Type 3 Claimants*, your check represents payment for the federal tax payer identification number associated with all of the tracking number(s) on the front of the letter you received with your check. You can look at your MCDSs for the tracking numbers to identify the patients and claims the check covers. All members and providers have a tracking number or numbers associated with their accounts. You can find your tracking number by looking at the top of your MCDS statement you received in May/June 2018 or if you filed an appeal, any amended MCDS statement you received.

(12) **I lost my MCDS Statement. Can I get another?** Yes but you must request a replacement copy by email to AEU@receivermgmt.com, mail, or fax. **If you are a Provider** you will be required to provide: the entity's name, the email address where you want the MCDS sent, your FEIN and tracking numbers to receive a replacement MCDS. **If you are a Member** you will be required to provide the full name of the member and dependents covered by AEU, the email address where you want the MCDS sent, the last four digits of your social security number and your tracking numbers.

RE: AEU Benefit Plan Court Ordered Liquidation (**Martin J. Walsh v AEU Benefits, LLC, et al**, Case No. 1:17-cv-07931-JHL-SMF, United States District Court Northern District of Illinois at Chicago)

Dear (INSERT NAME) :

The enclosed check was issued to you pursuant to the Independent Fiduciary's Plan of Distribution/Interim Distribution approved by order of United States District Judge John F. Kness dated_____which can be found at: https://www.receivermgmt.com/aeubenefitplan.htm. As per the Court's order, the enclosed check represents your pro rata portion of the AEU Benefit Plan assets available for interim distribution to the Type 3 Claimants. The prorata distribution is 11 cents for every $1.00 of allowed claim. Your check covers the following tracking numbers:

INSERT TRACKING NUMBERS

IMPORTANT! PLEASE READ: Remember the following when cashing your check:

(1) Cashing your check conclusively indicates that you have chosen to participate in the interim distribution and represents **a full and complete release of your ability to pursue any amount owed to you from the Benefit Plan.** You will not be able to collect any other amounts owed to you by the AEU Benefit Plan, including discounts, from its Liquidation Estate, the Independent Fiduciary/RMI or from the participant(s)/member(s)/patient(s), if you cash the check. Cashing of the check will not preclude you from receiving future distributions from the Liquidation Estate for amounts still due from the Benefit Plan, prorata or otherwise, as assets for such distributions may come available. The release of the ability to further pursue amounts owed to you from the Benefit Plan (effected by your cashing of the enclosed check) does not release your ability to pursue Benefit Plan Participants for amounts owed by the particular participant – see amounts shown in the "Patient Responsibility" column of Exhibit 2 to the Plan of Distribution posted at

https://www.receivermgmt.com/aeubenefitplan.htm. Finally, in cashing the enclosed check, you agree to be prohibited from reporting negative credit information relating to the Participant/Patient or engaging in or threatening any type of collection activity regarding amounts still owed to you from the Benefit Plan or assigning or transferring that debt to another for collection or otherwise. Review the above-referenced Court Order and the Court-approved Plan of Distribution/Interim Distribution for more details. Depositing/cashing the check confirms you are aware of the Release and the related prohibitions on collection activities and actions.

(2) You must cash your check by no later than 120 days from the date of the check because it is void after that date. **It will not be replaced.**

(3) If you do not cash/deposit your check within the referenced 120 days, you will not receive any distribution from the Benefit Plan Liquidation Estate. If you do not cash/deposit your check within the referenced 120 days, you will still, at a minimum, be bound by the Court's Order Staying All Proceeding's Against Participant (D.E. #38) -- i.e., All Writs Act Injunction Order -- which prohibits you from pursuing Participant/Patient for amounts owed to you from The Benefit Plan and prohibits you from reporting negative credit information or engaging in collection activity against a Participant/Patient. Those restrictions will remain in place until the closure of the Court proceedings or until further order of the Court. You can view a copy of the above-reference All Writs Act Injunction Order on the above-referenced website – see "Signed Order Granting Unopposed Motion of All Writs (11/15/2017)."

(8) **As a result of the Interim Distribution Order, how much will members and providers be paid for their claims?** Per the Court's Order, Type 1 and Type 2 Claimants are being paid 100 cents on the dollar owed to them by the AEU Benefit Plan. Type 3 Claimants are being paid approximately 11 cents on the dollar. Type 4 Claimants are not receiving a payment. Details regarding the Types of Claimants and their priority can be found in the Order and Court-approved Plan of Distribution posted to the website referenced above.

Type 3 Claimants are receiving a pro-rata amount because there are not enough AEU Benefit Plan assets to fully fund this class. (11) **How do I, as a provider, determine what members/patients the amount of the check covers?** For *Type 3 Claimants*, your check represents payment for the federal tax payer identification number associated with all of the tracking number(s) on the front of the letter you received with your check. You can look at your MCDSs for the tracking numbers to identify the patients and claims the check covers. All members and providers have a tracking number or numbers associated with their accounts. You can find your tracking number by looking at the top of your MCDS statement you received in May/June 2018 or if you filed an appeal, any amended MCDS statement you received.

(12) **I lost my MCDS Statement. Can I get another?** Yes but you may request a replacement copy by email to AEU@receivermgmt.com, mail, or fax. **If you are a Provider** you will be required to provide: the entity's name, the email address where you want the MCDS sent, your FEIN and tracking numbers to receive a replacement MCDS. **If you are a Member** you will be required to provide the full name of the member and dependents covered by AEU, the email address where you want the MCDS sent the last four digits of your social security number and your tracking numbers.
