INDEPENDENT FIDUCIARY OF THE GEORGIA PLUMBERS TRADE ASSOCIATION
HEALTH PLAN MOTION TO APPROVE DISTRIBUTION OF ASSETS AND
PROCEDURE FOR CLOSURE OF THE PLAN AND DISCHARGE OF THE
INDEPENDENT FIDUCIARY

Pursuant to the November 21, 2008 Order of this Court (D.E. # 107), Jeanne Barnes Bryant was appointed as Independent Fiduciary (hereafter referred to as "Independent Fiduciary") for The Georgia Plumbers Trade Association Health Plan (hereafter referred to as "the Plan"), to carry out the terms of the Order. Pursuant to this Order, on May 26, 2009, the Independent Fiduciary filed a Plan of Distribution with the Court. The Court approved the Plan of Distribution by Order issued on July 20, 2009 (D.E. # 120). In accordance with the approved Plan of Distribution, the Independent Fiduciary submits her Motion to

approve the distribution of assets of the Georgia Plumbers Trade Association Health Plan and to approve a procedure to close the Health Plan and secure discharge.

Background

This action was commenced by the Secretary of Labor pursuant to her authority under the Employee Retirement Security Act of 1974. As a result of the Secretary's action, an order appointing the Independent Fiduciary was issued by this Court. On January 14, 2009, the Independent Fiduciary received documents and records from the U.S. Department of Labor, Employee Benefits Security Administration (EBSA). Among other documents were copies of letters from American Benefit Administrative Services, Inc., (ABAS) the Plan's former third-party administrator, sent to 252 plan participants reflecting 1,314 claims for unpaid medical services that ABAS had not processed or paid. A total of \$250,000.00 was received by the Independent Fiduciary for the Plan and was placed into an account established for the Plan and the account is maintained at Regions Bank, a large regional FDIC insured financial institution.

Current Status of the Plan

At this time, the Independent Fiduciary advises the Court that all possible collections of funds have been made. As indicated in **Exhibit 2** to the Plan of Distribution (D.E. #118), a total of \$ 640,078.71 in unadjudicated unpaid claims had been

reported. Pursuant to the Plan of Distribution approved by this Court, Independent Fiduciary:

1. Did not hire local counsel so as to save fees and reduce costs.

2. The Independent Fiduciary on or about August 1, 2009 issued notices to all 500 participants updating them as to the status of the plan and requesting from participants contact information for providers from whom they have received services. The Independent Fiduciary gave the participants 45 days within which to return the Provider Contact Information Form.

3. For those providers the Independent Fiduciary had received contact information for, the Independent Fiduciary issued a Proof of Claim Form, with instructions for its completion, along with any unpaid claim information available to the Independent Fiduciary. For those providers the Independent Fiduciary has not received contact information, the Independent Fiduciary attempted to locate an address and issue a Proof of Claim Form. In addition, every participant was issued a Proof of Claim Form, with instructions for its completion and return. As a part of this process, the Independent Fiduciary recommended and the Court approved a Proof of Claim filing deadline of January 15, 2010.

4. Because the Plan's coverage design paid, after subtracting copayment and deductible amounts, 80% of an in-network discounted billed charge or 50% of an out of network charge, the Court approved the Independent Fiduciary's

recommendation to process and approve 52% of a billed charge that is found to be for a legitimate medical service covered under the Plan's benefit coverage. As stated in the Plan of Distribution, this gives effect to required copayment and deductible amounts and discounts usually taken.

5. On September 30, 2010, the Independent Fiduciary issued Claims Determination Statements to all persons who have filed a Proof of Claim Form. Persons receiving a Claims Determination Statement were given an opportunity to object to the Independent Fiduciary's determination. No objections were received.

The Independent Fiduciary's Recommendations on Claims

Attached hereto as **Exhibit 1** is a listing those claims submitted on timely filed Proof of Claim Forms and listing the approved amounts recommended to be paid on each claim. The total recommended amount is \$151,594.30. The total assets of the Plan at 10-31-2010 are \$218,703.22. The Independent Fiduciary proposes to retain \$10,000.00 administrative expenses post-distribution. With this reserve, total available assets to pay toward timely submitted Proofs of Claims is \$208,703.22 or 100%)

On **Exhibit 2** are claims on Proof of Claim Forms received after the Court approved filing deadline of January 15, 2010. If the total of **Exhibit 2** (\$49,589.40) is added to those claims listed on **Exhibit 1**, the total of claims is \$201,183.70. If those claims listed on **Exhibit 2** are added, the percentage payment on claims is unchanged (100%). The addition of these

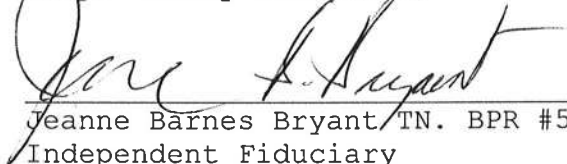

late filed claims does not significantly drop the percentage available for payment and therefore the Independent Fiduciary would, as a part of the instant Motion recommended the Late Filed Claims on **Exhibit 2** be permitted to be paid.¹

The Independent Fiduciary proposes to distribute the remaining \$7,519.52 on a pro-rata basis to all claimants as an interest amount on the claims submitted.

Should the Court grant the Independent Fiduciary's Motion, she will distribute assets accordingly.

Upon completion of the distribution of assets, the Independent Fiduciary will file a final accounting with the Court advising as to the distribution, and asking for discharge after performance of all responsibilities.

Respectfully submitted,

¹ The records of the Georgia Plumbers Trade Association Health Plan indicated \$ 640,078.71 in unadjudicated claims. If all eligible claimants had filed, the potential adjudicated approved payable might have been \$332,840.92 (65.7% of available assets). Despite notifications mailed, unfortunately not all eligible claimants chose to submit a Proof of Claim Form to assert claims against the Health Plan.
