AFFIDAVIT OF SPECIAL DEPUTY LIQUIDATOR JEANNE BARNES BRYANT

I, Jeanne Barnes Bryant, after being duly sworn, state as follows:

1. I am of majority age and have personal knowledge of the facts set forth herein. I submit this Affidavit in support of the Motion for Approval of (1) the Liquidator's Report on Claims; (2) the Final Distribution of SDS/ATA/SAA Estate Assets to Class 2 Claimants; and (3) Discharge of the Liquidator ("Motion").

2. I serve as the Special Deputy Liquidator for the Liquidation of Smart Data Solutions, LLC ("SDS"), American Trade Association, Inc., American Trade Association, LLC (collectively referred to as "ATA"), and Serve America Assurance ("SAA"). I was appointed by Special Deputy Commissioner Chlora A. Lindley Myers, the statutory Liquidator, to serve in this capacity effective January 29, 2013. As Special Deputy Liquidator, I manage the day to day

operations of the receivership, including the marshalling of any remaining assets, distributing the final estate assets to the claimants, and winding down and closing the receivership.

3. The Liquidation received over 12,800 Proofs of Claim for health benefits, premium refunds, and non-policy related charges with the total claimed amount exceeding \$40 million. Either I, or my predecessor Special Deputy Liquidator Paul Eggers, issued Notices of Determination for the over 12,800 Proofs of Claim (some of which contained hundreds of claims) to establish the Liquidator's determined claim amounts and the statutory classifications for payment priority purposes pursuant to Tenn. Code Ann. § 56-9-330.

4. All of the objections to the Liquidator's Notices of Determination have been resolved pursuant to Tenn. Code Ann. § 56-9-331 and § 56-9-327. At this time, all of the determinations for the Proofs of Claim filed in this receivership are final.

5. There are approximately 8,000 Class 2 policy related Proofs of Claim with the Liquidator's determination totaling approximately \$7,331,339.00. I have set forth the final value of all known Class 2 claims in Exhibit 1 hereto.

6. Classes of claims with payment priority below Class 2 (i.e., Class 5, 6, and 7 claims) have been assigned a statutory classification pursuant to Tenn. Code Ann. § 56-9-330 and have been valued at zero (0) since there are not enough estate assets to pay the Class 2 claimants in full pursuant to Tenn. Code Ann. § 56-9-330. These lower payment-priority claims are not included in Exhibit 1 hereto.

7. **Marshalling Assets:** The Liquidator has engaged in extensive asset recovery actions that have resulted in recovering estate assets that will now be available for distribution to the claimants. There are claims remaining in three of the third party recovery actions filed in this receivership: *Petition to Recover Damages from Bart S. Posey, Sr., and Angie Posey*; *Petition to Recover Damages from William M. Worthy, II, Caroline H. Worthy, Southeast Insurance Advisors, LLC, and Nationwide Administrators, LLC*; and *Petition to Recover Damages from Gary L. Ketchum, Donald Choi, and First Risk Holdings, LLC*. I have determined and have recommended to the Liquidator, who concurs, that, pursuant to Tenn. Code Ann. § 56-9-310(a)(14), it would be unprofitable at this time to continue to prosecute these third party recovery actions and continue to incur administrative expenses, and that it would instead be more beneficial and profitable to proceed with distributing the estate assets and closing the receivership.

8. **Final Distribution to Class 2 Claimants Pro Rata:** I have determined, and the Liquidator concurs, that all of the known assets of the SDS/ATA/SAA receivership justifying the expense of collection have been collected into the estate and should be distributed at this time pro rata to the approved Class 2 claimants. The Motion (filed contemporaneously herewith) sets forth the proposed amount of the final distribution after the anticipated amount for the remaining Class 1 administrative expenses through closure has been withheld.

9. The SDS/ATA/SAA estate currently has approximately \$896,969.00 in total net assets available for distribution. See Exhibit 2 hereto.

10. The total determined amount of all approved Class 2 claims is approximately \$7,331,339.00. See **Exhibit 2** hereto.

11. I estimate that approximately \$90,519.00 will be needed to cover anticipated Class 1 administrative expenses through the close of the receivership. See **Exhibit 2** hereto. Estimates for work to be performed by the receivership's legal counsel and third party contractors were determined by the legal counsel and third party contractors in consultation with me, taking into consideration the time that is reasonably anticipated as necessary to make the distribution and close the estate.

12. Thus, I anticipate that approximately \$806,450.00 will be available for distribution to Class 2 claimants with each approved Class 2 claimant receiving a pro rata percentage of approximately 11.00% of its total approved claim amount. **Exhibit 1** hereto sets forth the amount of the proposed final distribution to be made to each Class 2 claimant. It is possible that certain costs may be reduced prior to making the final distribution, and any such cost savings achieved prior to making the final distribution will be included in the final distributions, resulting in de minimis increases in the pro rata distribution amounts by a couple of pennies or cents.

13. The proposed final distribution ensures that each Class 2 claimant will receive the same pro rata distribution and that no subclasses will be created within Class 2 as required by Tenn. Code Ann. § 56-9-330.

14. Since Class 2 claims will not be paid in full, no claims below Class 2 in payment priority pursuant to Tenn. Code Ann. § 56-9-330 will receive any distributions or any further notice.

15. **Payment of Class 1 Administrative Expenses and Approval through Closure:** The Court has approved, pursuant to Tenn. Code Ann. § 56-9-310(a)(4), the Liquidator's determination to pay from the receivership estate the Class 1 administrative expenses of the Special Deputy Liquidator, outside legal counsel, and third party contractors through March 31, 2014.

16. I have prepared an estimate of the Class 1 administrative fees and expenses that I anticipate will be incurred through closure of the receivership. These estimated Class 1 administrative expenses are \$90,519.00 as explained in **Exhibit 2** hereto.¹ It is possible that certain estimated expenses, such as the records storage fees and bank charges for checks, could be determined prior to making the final distribution to be less than the estimated amounts

¹ These estimated expenses do not include the costs to maintain the Metro Center Post Office Box and the Springfield Post Office Box. I have determined that it is no longer necessary to incur the costs to maintain the Springfield Post Office Box which was solely being maintained pursuant to the February 4, 2011 Agreed Order. The correspondence that has been issued by the receivership since early 2013 has contained the current contact information for Receivership Management, Inc. ("RMI"), which is my office. The SDS/ATA/SAA Liquidation website will not be renewed after its expiration on July 31, 2014, and the website will re-route viewers to the RMI website (www.receivermgmt.com) during this limited time. I plan to include the RMI website on all future correspondence regarding the final distribution and closure of the receivership.

included in **Exhibit 2**. If this occurs, I will include the cost savings in the final distribution amount to be made pro rata to the Class 2 claimants which will increase the claimants' distribution amounts pro rata by a couple of pennies or cents. The distribution amounts presented in **Exhibit 1** are the minimum amounts that the Class 2 claimants may receive.

17. My invoices along with the invoices of outside legal counsel and third party contractors through the closure of this receivership will be submitted to the Liquidator in accordance with the Department of Commerce and Insurance's administrative guidelines pursuant to Tenn. Code Ann. § 56-9-310(a)(4). Only the actual fees and expenses that are determined by the Liquidator upon proper review to be reasonable and necessary costs of the receivership will be approved and paid.

18. After the final distribution is made, if the actual administrative expenses through closure are less than the estimated amount set forth in **Exhibit 2**, the Liquidator will deposit, if ordered by the Court pursuant to Tenn. Code Ann. § 56-9-334(a), any remaining estate funds in the closed estate no asset fund maintained at the direction of the Commissioner of the Tennessee Department of Commerce and Insurance pursuant to Tenn. Code Ann. § 56-9-333(a) to assist with the administrative expenses of receiverships that lack sufficient assets to fund administrative costs of proceeding under the Tennessee Rehabilitation and Liquidation Act, §§ 56-9-101, *et seq.*

19. **Closure Activities:** If the Court approves the Motion, all assets of the SDS/ATA/SAA estate justifying the expense of collection and distribution will have been distributed upon making the approved final distribution, and pursuant to Tenn. Code Ann. § 56-9-334(a), I have determined, and the Liquidator concurs, that the SDS/ATA/SAA receivership should be terminated. Upon completion of the closure activities set forth in the Motion and herein, I will cause a Notice and Final Order of Discharge to be submitted to the Court for entry that will terminate the Liquidation and Discharge the Liquidator.

20. Tax returns through tax year 2013 have been filed with the Internal Revenue Service ("IRS"). The 2014 tax returns will be filed as soon as possible after the final distribution checks are issued assuming this Motion is granted. Additionally, I will cause the IRS Form 1099 to be mailed to each person who receives a reportable payment from the SDS/ATA/SAA receivership in 2014.

21. If there are any uncashed checks at least sixty (60) days after any approved final distribution is made, the Special Deputy Commissioner is seeking the Court's approval pursuant to Tenn. Code Ann. § 56-9-333(a) for her discretion either to transfer any unclaimed funds to the Unclaimed Property Division of the State Treasurer or to elect without further court order to hold any unclaimed funds for a period of two (2) years, and if such funds remain unclaimed at the end of the two-year period, to hold and deposit the funds without further court order in the closed estate no asset fund for the purpose of defraying the costs and expenses of the administration of other insolvent insurers for which there are insufficient assets to fund the costs and expenses of administration of a receivership pursuant to the Tenn. Code Ann. §§ 56-9-101, *et seq.*
