THE INDEPENDENT FIDUCIARY'S REVISED PLAN OF DISTRIBUTION

Pursuant to the March 8, 2007 Order of this Court, Jeanne Barnes Bryant was appointed as Independent Fiduciary (hereafter referred to as "Independent Fiduciary") for a trust established for the payment of outstanding medical claims of, or on behalf of, the employee participants in various employee welfare benefit plans established by employer clients of My Smart Benefits, Inc. (MSB), a third party administrator of employer sponsored dental and vision plans. Pursuant to that Order, the Independent Fiduciary submitted her Report and Plan of Distribution on August 13, 2007 (D.E. #9). As set forth in that Report and Plan, the Independent Fiduciary served copies of her Report and Plan to the listed Participants so as to provide notice regarding the Plan and proposed distribution amounts.

Since the filing of her Report and Plan of Distribution (D.E. #9) the Independent Fiduciary received several inquiries and objections. Based upon the inquiries and objections, there appeared to be participants, employers, and others who wanted to make claims on the Settlement Fund, but had not been included in the claims provided to the Independent Fiduciary by the U.S. Department of Labor. As a result of that situation, the Independent Fiduciary filed her Second Report on January 9, 2008, (D.E.# 16).

Background

This action was commenced by the Secretary of Labor pursuant to her authority under the Employee Retirement Security Act of 1974. As a result of the Secretary's action, an order appointing the Independent Fiduciary was issued by this Court. Upon the Independent Fiduciary's appointment, several boxes were shipped by the U.S. Department of Labor, Employee Benefits Security Administration (EBSA) to the Independent Fiduciary containing 884 claims for unpaid medical services, the majority being unpaid dental services. In addition, the funds transferred to the Independent Fiduciary were placed into an account established as a Qualified Settlement Fund and is maintained at AmSouth Bank (now known as Regions Bank), a large regional FDIC insured financial institution.

On August 13, 2007, the Independent Fiduciary filed her Report and Plan of Distribution. Beginning on or about September 10, 2007 and continuing through November 15, 2007, the

Independent Fiduciary received objections from the City of Minot and the Minot School System, both of Minot, North Dakota. Both of these employers reported a total of 195 in unpaid dental claims of their employees. Neither employer had paid these outstanding claims of their employees. Further, the Independent Fiduciary received objections from employers who had paid their employees' dental claims but sought reimbursement of these payments on behalf of their employees who had been participants in the My Smart Benefits plans. Lastly, insurance agents sought reimbursement for claims they paid on behalf of participants whose employers were clients of the insurance agent. These facts were reported in the Independent Fiduciary's Second Report (D.E. # 16)

After a review of these objections and the terms by which the Settlement Fund was created, the Independent Fiduciary, in consultation with the U.S. Department of Labor, is proposing to include the claims of all participants who have not had their claims paid by either their employer or other person as the first claims to pay after the payment of administrative fees and expenses. After fully paying this class, the Independent Fiduciary would then pay the claims of employers or others who have paid dental benefits on behalf of participants in the My Smart Benefits Program. Therefore Class 1 claims are administrative fees and expenses. Class 2 claims are unpaid participant claims. Class 3 claims are unpaid claims of employers and others who have paid claims on behalf of participants.

Status of the Plan

The Independent Fiduciary has completed the processing of the claims supplied by EBSA, claims submitted by other participants, and claims submitted by employers and others seeking reimbursement for monies they have paid on behalf of participants. Attached as **Exhibit 1** is a listing of Class 2 claims. Attached as **Exhibit 2** are Class 3 claims. Attached as **Exhibit 3** to this Report is a statement of all assets of the Settlement Fund.

Currently the Independent Fiduciary has reviewed all claims from both classes representing a total gross, unadjudicated amount of \$618,939.00. See **Exhibits 1 and 2**. The Independent Fiduciary has adjudicated the Class 2 amount to \$334,184.45 and Class 3 amount to \$70,173.26.

Proposed Distribution Plan

In order to expend the smallest amount of administrative funds, and to make the most impact in distributing the funds available, the Independent Fiduciary is making the following recommendations to the Court.

First, the Independent Fiduciary intends not to hire local counsel in order to save fees and reduce costs. Second, the Independent Fiduciary intends to issue a Proof of Claim Form to all Class 2 members whereby they would certify their current address and certify their former participation in the My Smart Benefit Plans. Participants would have thirty days within which to return the Proof of Claim form to the Independent Fiduciary. A

specimen of that form is attached as **Exhibit 4**. Third, a pro-rata distribution of available assets should be made to participants based upon the claims associated with participants who returned their Proof of Claim form. Fourth, because this is a reimbursement plan of coverage, no Proof of Claim form will be issued to medical providers. If all participants affected in Class 2 returned their Proof of Claim Form, approximately 75 cents on the dollar would be paid to the claimants.¹ If after processing all Class 2 Proof of Claim Forms there were assets remaining in the Settlement Fund, the Independent Fiduciary would issue a Proof of Claim Form to Class 3 claimants and pay, pro-rata from available assets, Class 3 claimants who returned their Proof of Claim Forms.

The Independent Fiduciary intends to issue notice to all known participants of the Plan and direct them to the Receivership Management, Inc. website (www.receivermgmt.com) where they may view the Independent Fiduciary's Revised Plan of Distribution. The Independent Fiduciary would allow these participants thirty (30) days to submit any objections to the Court. Assuming that no objections are received and the Court accepts the recommendations of this plan, the Independent Fiduciary will institute the Revised Plan of Distribution within thirty (30) days after the Court's Order of approval.

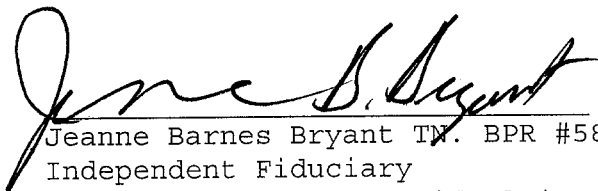

As soon as practical after the processing of Class 2 and Class 3 Proof of Claim Forms, after considering objections to any

¹ A reserve of \$15,000.00 for fees and expenses relating to the distribution and wind up of the fund would

claim payable amount, the Independent Fiduciary will file a Motion with the Court asking for authority to distribute all available funds.

Upon completion of this task, the Independent Fiduciary will file a final accounting with the Court, advising as to the distribution and asking for discharge after performance of all responsibilities.

Respectfully submitted,
