ROBERT D. DENNIS, CLERK  
U.S. DIST. COURT, WESTERN DISTRICT OF OKLA.  
BY BK DEPUTY

Dear Your Honor:

I am a participant in the Central Home Care Services, Inc and Affiliates 401K Plan, which is party to the above referenced case number.

I am writing to voice my opposition to the Report & Proposal of Receivership Management, Inc. My objection is directed at Receiverships plan to 1) adopt a termination date of 12-31-01 and 2) to distribute balances net of withdrawals, unpaid loans & calculated interest from 12-31-01

There are plenty of ways to verify our vested balances and bring the balances forward.

To follow Receivership Management's proposal would be a windfall to those that left early while punishing those of us who stayed with the Companies working hard to try & save them.

I, therefore, request that this Court compel Receivership Management, Inc to make the distributions based on the full & true vested balances brought up to date through 2005 when the Companies closed.

Sincerely,  
Mary Catherine Wilder
